GROUP EXERCISE CLASSES

CLASS DESCRIPTIONS

Swim Fit (Adult Squad)

Swim Fit is an adult squad training program led by Head Swim Coach Damian. Each session combines structured swim sets, technique refinement and endurance training. Whether you're returning to swimming, training for personal goals or simply looking for a motivating and social way to stay fit, Swim Fit provides a supportive squad environment with professional coaching and achievable challenges for all ability levels

Aqua Aerobics

Aqua Aerobics is a low-impact, water-based exercise class designed to improve cardiovascular fitness, strength, flexibility and coordination. It's suitable for people of all ages and fitness levels, especially those with joint issues, arthritis, or recovering from injury.

Aqua HIIT

Aqua HIIT is a high-intensity aqua aerobic class that alternates between cardio and strength exercises. Aqua HIIT targets the whole body! Burns calories, builds muscle strength, improves cardiovascular fitness and is suitable for a wide range of fitness levels.

Aqua Deep Water

This program uses flotation belts to keep the body buoyant and upright, while engaging the core in jogging, kicking and arm exercises. Performed in water that is 2m deep, deep water aqua is great for joint health, endurance and muscle building.

Aqua Pilates

A gentle workout that focuses on controlled movements, breathwork and core engagement. It blends the core-strengthening principles of Pilates with therapeutic aquatic exercise and is ideal for improving posture, flexibility, and muscle tone.

Aqua Strength & Strength

This aqua class focuses on building muscle strength and endurance using the natural resistance of water with specialised equipment. With water dumbbells, you will build lean muscle mass, improve bone density and enhance core strength

GROUP EXERCISE CLASSES

CLASS DESCRIPTIONS

Reformer Pilates

A resistance-based Pilates class, performed on a Reformer Pilates bed. It uses springs to provide varying levels of resistance. Reformer Pilates builds strength, flexibility, improves posture & increases core stability. Reformer Pilates can be easily modified to suit all different levels of fitness and skill

Mat Pilates

Mat Pilates will challenge your strength, flexibility and coordination with traditional and modern Pilates. Performed on the floor, you'll feel strong, streamlined and invigorated after this thorough workout.

Power Mat Pilates

Power Mat Pilates is a dynamic, full-body workout that combines classic Pilates principles with a stronger, faster pace. Expect controlled, flowing movements that challenge your core, legs, glutes, and upper body, while improving posture, balance, and mobility.

Move & Stretch

A gentle, low impact class designed to help participants improve mobility, reduce muscle tension & feel relaxed in their bodies. With an emphasis on stretching, this session guides participants through gentle mobility work & long, controlled stretches.

Yoga

A flowing and meditative class, Yoga is for healing and restoring balance within the mind, body and spirit. Poses are structured around alignment principles to ensure safe and optimal expression in each pose. You will work on improving your muscle tone, strength, stamina and flexibility.

Mums & Bubs Yoga

Mums and Bubs Yoga is a gentle, nurturing yoga class designed for new mothers and their bubs. With soft movement, breath awareness and connection, Mums and bubs yoga offers a supportive space to bond with your baby and meet other Mums in a welcoming, judgment free environment.
